Mansi

Java End term Mock Practical.

Q1. Solⁿ `Public class WelcomeClass`

```
{  
    public static void main (String [] args)  
    {  
        String str = "Welcome to class .";  
        String abc1 = str.toUpperCase();  
        System.out.println(abc1);  
    }  
}
```

Q2. Solⁿ `import java.lang.*;`

```
{  
    static int rollno = 1922033;  
    static String name = "mansi";  
    static void display()  
    {  
        System.out.println("rollno: " + rollno);  
        System.out.println("name: " + name);  
    }  
    public static void main (String [] args)  
    {  
        display();  
    }  
}
```
